

# BEST PAPER AWARDS

This award recognizes the top three papers presented at ASTECH 2024. The Conference Best Paper Award will be selected based on the review process of submitted papers. The award is bestowed upon the authors of the presented papers contributing to sustainable technology research and innovation. Selection criteria include scientific significance, originality, and outstanding technical quality. Finalists are selected by the ASTECH 2024 Conference Awards Committee from all accepted and registered papers, with notifications sent before the conference.
